

OPTIONS IN SETTING UP A SCHOLARSHIP

The Etowah Scholarship Foundation offers several ways the community can help Bartow County students realize their educational goals:

- **ENDOWMENT SCHOLARSHIP**: Establish a legacy with an endowment scholarship. Make a one-time gift through which an annual scholarship is awarded from a portion of the income of the investment. Memorialize a loved one by setting up an enduring remembrance of them with a gift of education. Minimum contribution is \$25,000.
- **ANNUAL PASS-THROUGH SCHOLARSHIP**: Donate funds to award an annual scholarship and have the option to renew each year. Minimum donation is \$1,000 plus fee. (Administration fee is \$100 per scholarship awarded.)
- **SPONSOR SCHOLARSHIP**: Become a Presenting or Gold sponsor for one of our fundraising events and with your sponsorship have a scholarship awarded in your company's name.

The process of establishing tax-exempt funds, soliciting applications and wading through applications to select and award a scholarship is free of any burden for you, because we do it for you! Our independent Review Committee uses your criteria in helping them select the type of student to be your recipient.
